### School News

Happy Catholic Schools Week! It is your week to celebrate too because without all of your prayers and support we wouldn't be here! We have lots to be proud of with our school. This week, we are going to celebrate something special each day, and end the week with the annual spaghetti dinner. The proceeds from the spaghetti dinner are going to go towards our library renovation. Don't forget to vote at [www.spiritcatholicradio.com](http://www.spiritcatholicradio.com) for your favorite superstar school. You can vote until February 8. Thank you for your vote.

Our scrip sales for December were \$59,765! Yahoo! That is about \$2,700 more than last year. That netted a profit of around \$2,256. That is so exciting. Online sales from the middle of August to December 31 were \$34,195. Buying scrip online is very simple. Call the school office if you are interested in learning more about it. Thank you so much for your continued support of our scrip program.

### Praise & Worship - February 4 in Franciscan Parish Center

The Praise and Worship session on Monday, February 4th, will have a speaker from Omaha who is involved with Alpha. As an evangelization tool, Alpha allows people who have not been to church for a while to meet, eat and talk with members of our parish who will act as hosts. February 4th will mostly be an informational meeting about Alpha (who's interested, how much help will we need, where will it be held, etc.) but we will definitely have some prayer time for evangelization built in. You can get much more information by visiting their web site at [alpha.org](http://alpha.org). Please attend the February 4th meeting if you are interested.

**What is Alpha?** Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. Alpha is run all around the globe, and everyone's welcome. It runs in cafés, churches, universities, homes - you name it. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

**First up there's food.** Whether it's a group of friends gathered around a kitchen table, or a quick catch up over coffee and cake, food has a way of bringing people together. It's no different at Alpha. Most sessions start with food because it's a great way to build community and get to know each other.

**Then a talk.** The talks are designed to engage and inspire conversation. Usually around thirty minutes long and delivered over about eleven weeks, they can be given as a live talk or played as a video. They explore the big issues around faith and unpack the basics of Christianity, addressing questions from Who is Jesus? and How can we have faith? to Why and how do I pray? and How does God guide us?

**Followed by discussion.** Probably the most important part of any Alpha: the chance to share thoughts and ideas on the topic, and simply discuss it in a small group. There's no obligation to say anything and there's nothing you can't say (seriously). It's an opportunity to hear from others and contribute your own perspective in an honest, friendly and open environment.
