Praise & Worship - February 4, 7pm in Franciscan Parish Center

The Praise and Worship session on Monday, February 4th, will have a speaker from Omaha who is involved with Alpha. As an evangelization tool, Alpha allows people who have not been to church for a while to meet, eat and talk with members of our parish who will act as hosts. February 4th will mostly be an informational meeting about Alpha (who's interested, how much help will we need, where will it be held, etc.) but we will definitely have some prayer time for evangelization built in. You can get much more information by visiting their web site at alpha.org. Please attend the February 4th meeting if you are interested.

What is Alpha? Alpha is a series of sessions exploring the Christian faith. Each talk looks at a different question around faith and is designed to create conversation. Alpha is run all around the globe, and everyone's welcome. It runs in cafés, churches, universities, homes - you name it. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation.

First up there's food. Whether it's a group of friends gathered around a kitchen table, or a quick catch up over coffee and cake, food has a way of bringing people together. It's no different at Alpha. Most sessions start with food because it's a great way to build community and get to know each other.

Then a talk. The talks are designed to engage and inspire conversation. Usually around thirty minutes long and delivered over about eleven weeks, they can be given as a live talk or played as a video. They explore the big issues around faith and unpack the basics of Christianity, addressing questions from Who is Jesus? and How can we have faith? to Why and how do I pray? and How does God guide us?

Followed by discussion. Probably the most important part of any Alpha: the chance to share thoughts and ideas on the topic, and simply discuss it in a small group. There's no obligation to say anything and there's nothing you can't say (seriously). It's an opportunity to hear from others and contribute your own perspective in an honest, friendly and open environment.
